

Perth Autumn Studio Tour
Thanksgiving Weekend
Application for Guests

The Perth Autumn Studio Tour is a well-established venue through which craftspeople and artists sell their work over a 3 day period on the Thanksgiving weekend each year. Approximately 3000 visitors will travel between the studios, which are in close proximity to each other, to meet the makers, view their work space and buy the work. Over the years our tour has established a reputation as a very well organized display of varied, high quality work.

Each year we encourage other crafts people to participate as guests, displaying their work in the studios of the tour members. We jury new applicants with attention to quality of work, suitability to available space and variety as related to the other work on the tour.

Guest spaces are limited and the appropriate location will be decided during the jury process and confirmed with each guest at a later date.
